

George M. Hampton Middle School

Supply List

2021 – 2022

July 15, 2021

Dear Hampton parents,

Welcome to the 2021-2022 school year. I hope everyone is getting the rest needed and enjoying this wonderful summer. As we all recharge to get ready for the upcoming school year, I look forward to working with you and your children. Thank you for being a part of an AMAZING Hampton learning community. Your positive energy and dedication to excellence will make this a productive school year.

Our skilled and devoted staff is already planning and preparing to welcome back your children. Approximately 97% of our students will be in-person and 3% virtual. The start of school also means preparing materials and supplies to allow learning activities to successfully take place. Here is the list of supplies needed for 6th, 7th, and 8th grade in-person and virtual students:

- 2 Packs of #2 Pencils
- 1 hand-held mini pencil sharpener
- 2 Packs of Pens
- 2 Highlighters
- 1 five-subject notebook for core classes (math, science, language arts, history, Spanish, French)
- 1 three-subject notebook for elective classes
- 1 pack of loose-leaf paper for personal use and as needed when at home
- 3 two pocket folders
- 2 packs of index cards for notetaking, organizing, keeping a list, and creating a study guide

All assignments will be posted via CANVAS, whether the student is virtual or in-person. Laptops and charger will be provided by the school.

I want all our families to know that we are committed to partnering with you to make this the best year we can for ALL our children. The Hampton community is a family; we love our students, our work, and our school.

Welcome back! Together we will make this a wonderful year full of meaningful and joyful memories.

Sincerely,

Jehovanni Mitchell
Principal
